

Second Annual Angele Ekert Thanksgiving Food Drive

It is that time of year again. The Social Service Association of Ridgewood and Vicinity will be collecting Thanksgiving Day Food items for our friends and neighbors needing some assistance.

We will only be collecting shelf stable Thanksgiving Day items and Stop and Shop or ShopRite gift cards. We hope to hold smaller food drives this winter to stock the pantry shelves.

Each Ridgewood school will be assigned to collect only a few items.

RIDGE WILL BE COLLECTING:

- **BROTH**
- **CORN & PEAS**
- **MASHED POTATO MIX**
- **CANNED PUMPKIN**

Please send UNEXPIRED items to school with your child any day between Monday, November 7th and Friday, November 18th.

On November 18th, a member of SSA will pick up unexpired, pre-sorted boxed or bagged items from each school. Our Thanksgiving Day drive will end on Friday, November 18th.

Thanking all the families for their generosity.

Wishing you and yours a happy and safe Thanksgiving.
